The treatment of many thousands of cases of these chronic weaknesses and distressing ailments peculiar to females, at the Invalid Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of women's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials received from patients and from physicians who have tested it in the most difficult and obstinate cases which had baffled every other remedy, and which were cured by this "Favorite Prescription" but as a most perfect Specific for women's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, run-down, run-down, debilitated females, milliners, dressmakers, seamstresses, "shop-girls," housewives, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled in its purifying, tonic, and restorative qualities. As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, expanding prostration, hysteria, spasms, and other distressing, nervous symptoms commonly attendant upon functional and organic diseases of the womb and its appendages, and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully prepared by a physician, and adapted to women's organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive, painful menstruation, unnatural suppurations, prolapsus, or falling of the womb, weak back, female weakness, nervous debility, retroversion, bearing-down sensations, chronic constipation, inflammation and ulceration of the womb, inflammation, pain and tenderness of the ovaries, accompanied with "internal heat."

As a regular and powerful of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedy, and can produce only good results. It is usually efficacious, and valuable in its effects upon the system, and is especially recommended to that later and most critical period, known as the "Change of Life."

"Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Yellow Pills), cures Liver, Kidney and Bladder diseases. These combined use also cures blood taints, and abolishes cancerous and scrofulous humors, and restores the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under positive guarantee, and which will be refunded, if it does not cure. This guarantee has been carried out for many years, and faithfully carried out for many years. Large bottles (500 doses) \$1.00, or six bottles for \$5.00.

Prudence! Prudence!

In medication, as in life, prudence should be our guide. Yet thousands cast it to the winds. Every new nostrum finds its patrons, the medical empirics of every false school have their gulls. Every change in the gamut of humors is rung successfully—for a time at least—the notes being furnished by the credulous. In happy contrast to the many advertised impostures of the day stands Hostetter's Stomach Bitters, now in its third decade of popularity, approved and recommended by physicians, endorsed by the press of many lands, sought and prized by invalids everywhere. It is an ascertained specific for and preventive of malarial diseases, chronic in digestion, liver complaint and constipation, checks the growth of rheumatism and neuralgia, is a peerless invigorant and useful diuretic. Nervous people benefit by it.
